AMAPAC

2007 Super PAC Drive

We must re-certify for Super PAC status! A Super PAC certification allows our candidate contribution levels to be FIVE times higher than a typical political action committee, helping us to remain an influential part of Arizona politics. We need 500 or more personal contributions by Friday, October 19!

A personal contribution of $10 or more to the Arizona Multihousing Association Political Action Committee (AMAPAC) is a small investment towards the success of our industry!

Contributions are limited to personal or partnership funds; corporate and LLC funds are prohibited by Arizona law.
